

AL SHPYTH

- Executive Director, IMII (International Minerals Innovation Institute)

BIOGRAPHY

Al has been the Executive Director of the IMII (International Minerals Innovation Institute) since January 2016.

Al brought more than 25 years of consulting, government and industry experience related to mining and the minerals sector to the IMII. Under Al's leadership, the IMII has, since 2017, funded 11 education and training projects worth more than \$2 million and created two scholarship programs focused on increasing the numbers of women and Indigenous peoples in the minerals industry.
